

Appendix D – List of Furniture and Equipment in KGs proposed by NGO Operators

The following list of F&E Suggested by NGO Operators to overcome the site constraints in schools:

1. 1-2 Cabinets with lock, at least waist level and big enough for storing of teaching and training material that include manipulatives designed by therapists, educational toys, student handbooks, etc.
2. 1-2 Big plastic storage boxes with wheels (as an alternative if item 1 is not available).
3. A Quiet Training area. Preferably a training room for OPRS be included for future premises to be secured for new KGs and approval for minor renovation/ works in KGs (if feasible and possible) so that a suitable training place can be secured.
4. Installation of partition (subject to approval from EDB/ premises owners)/ mobile partitions to provide a confined area for training.
5. 1-2 foldable tables and 4 chairs with wheels, with adjustable height for adults/ therapists/ teachers for provision of training and other supportive services.
6. WiFi service and 1 Printer to be shared with the OPRS inter-disciplinary service teams to facilitate the searching and printing of online or prepared training materials.
7. 1-2 tablets for use of the inter-disciplinary service teams in KGs for the provision of training tasks.
8. Provision of necessary equipment, respective training packages across different ages' needs/ from Nursery to K.3 which would be stationed/ locked in respective KGs.
9. Provision of cleansing service/ manpower for keeping hygiene condition of training kits/materials on-site.
