

# **After School Care Programme for Pre-primary Children**

## **Objective**

The After School Care Programme for Pre-primary Children [ASCP(PC)] aims at providing child care and support services for pre-primary children whose parents or carers are either working long, unstable and/or unconventional working hours, having financial and/or social hardship in securing care by their own means before/after school hours.

## **Target Users**

- (a) Children aged three to below six; or
- (b) Children attending Kindergarten 1-3 education.

## **Services Scope**

Group/individual activities will be provided to service users to participate in interesting, creative, developmental and social activities.

## **Operating Hours**

After School Care Service Centres are normally operating three sessions a day (i.e. the morning session, afternoon session, and evening session) from Monday to Friday (except public holidays). Some Centres may provide extra opening sessions (for example, during Saturdays, Sundays or Public Holidays) to meet the service demand of their respective districts. Needy families may contact service operators direct for details on their opening arrangement.

## **Fee Charging**

ASCP(PC) is operated by non-governmental organisations on a fee-charging and non-profit making basis with funding support from Social Welfare Department (SWD) providing child care service for children before/after school hours on a regular (bi-weekly) basis. Ad hoc service may be provided to needy children in case there is spare capacity.

The fee charging level is determined by Social Welfare Department (SWD). Needy families with financial hardship may approach respective service operators direct for fee reduction/waiving. The fee level for different scenarios are set out in Table 1 and 2 below.
